GET TO KNOW ME

Hi I'm Kyle a detail-oriented team player with strong organizational skills. I have the ability to handle multiple projects simultaneously with a high degree of accuracy.

What I've achieved in life so far was through hard work and believing in myself, but I am also a believer in a good balance between work and home life.

WORK EXPERIENCE

Cinematographer & Photographer 2021 - 2023

KLS Media

I started a media solutions company with my partner in my 2nd year of varsity doing everything from couple shoots, music videos and hunting promotions.

Junior Software Engineer 2023 - Present

Sticitt (Pty) Ltd.

I started at Sticitt as intern during my studies. I moved into a full time role as an junior engineer, where I worked on a multitude of projects wbuilt with the .NET Framework and Blazor Framework. I also assisted with QA testing after releases onto Kubernetes pipelines using GCP and ArgoCD. Colleagues have noted that I am extremely easy to work with and that I never miss a deadline.
